

**Family-Owned Glendale Company Launches 8th Annual Military Hero A/C Giveaway**  
*Forrest Anderson encourages community to nominate Valley Veterans and servicemembers*

**GLENDAL, Ariz. (August 14, 2023)** – For the eighth consecutive year, Forrest Anderson Plumbing and Air Conditioning (Forrest Anderson), a Glendale-based, family-owned business serving the greater Phoenix metro area since 1961, will honor men and women who bravely served or are currently serving in the U.S. military. Forrest Anderson’s 2023 Military Hero A/C Giveaway will share the stories of local Maricopa County military heroes and award one Veteran or active duty servicemember with a free air conditioning system with installation.

The Military Hero Giveaway was a wonderful experience. The new A/C unit allowed me to keep my home cool throughout the summer while lowering my electricity bill,” said Cheryl Reuss, a U.S. Marine Corps Veteran and winner of the 2022 Military Hero Giveaway. “Being part of this giveaway was lifechanging. Forrest Anderson was a great company to work with and I’m extremely thankful for them.”

Anyone can nominate a military hero by filling out a short application on [Forrest Anderson’s website](#) from Friday, September 1 through Friday, September 29. A company panel will select up to five finalists and share their stories on Forrest Anderson’s website and Facebook Page, where members of the public can vote for their favorite from October 17 through October 31. The giveaway is open to active-duty military, retired service members, and Veterans who were discharged under general or honorable conditions, who own a home in Maricopa County.

“My grandfather served in the Navy during World War II before starting this company in 1961. We started the Military Hero Giveaway in his honor and to show our appreciation for the military community,” said Audrey Monell, President of Forrest Anderson Plumbing & A/C. “In our eighth year running the Military Hero Giveaway, it is still inspiring to see communities rally behind the men and women who serve our country.”

Monell also recognizes industry partners, [MORSCO HVAC/Bush Supply](#) and [Smiley Crane Service](#), whose generous contributions make it possible to run the contest. Cameron Davis, President of [Razor Thin Media](#), will also present a \$500 gift card to the winner. Recognizing the importance of owning a functional and efficient air conditioning system in Arizona, Forrest Anderson has worked with local partners to sponsor the Military Hero Giveaway every year since 2016.

**The deadline to nominate a veteran is Wednesday, September 29, 2023.** The application and contest rules can be found at <https://www.forrestanderson.net/military-hero-giveaway>. Finalists will be announced on Tuesday, October 17 and the public will be encouraged to vote daily on the company’s website through October 31. The winner will be announced by Veterans Day, November 11, 2023.
